FRIENDSHIP

No 9—13th June 2017

Dear Parents and Caregivers

Just a reminder that the P&C meeting will be held **TONIGHT** commencing at 7pm in the staffroom. Everyone is welcome to attend, come along and meet new people and hear about your school.

As you walk around the school you will see lots happening at present. The undercover area is about to get a make over and spruce up. New shade will be going in hopefully over the holidays and the front office is looking very spic! New garden beds are being planted and retic is being installed. Our school is a very busy place.

Parents of students in year 6 who intend to send their child to camp this year need to have made full payment by **Friday 16th June**.

Our next assembly will be held this Thursday 15th June hosted by room 3 students. All are welcome and invited back to the classroom after assembly for a coffee and chat.

Enrolments for kindergarten in 2018 are open and close on 21st July 2017. If you know of a child in our area that is eligible for kindy, please let the parents know to come to the school to complete an application.

I would like to congratulate the teams that played in the Lightning Carnival last Friday. Well done to the netballers who won their final and congratulations to all other students who tried hard and did their best. Your school is very proud of you. Thank you to the teachers who trained and prepared the students for the competition.

Our choir is working hard to practice for the upcoming Choir Fest to be held at BCC. Mr Zanatta has been working hard to ensure that they are ready to shine. We wish them all the best for a great performance.

Semester one reports will be sent home with the students on Monday 26th June. Should you have any questions once you have read the report, please do not hesitate to contact your child's teacher.

Second term finishes on Friday 30th June and term three commences for students on Tuesday 18th July 2017.

CYBER BULLYING

Jordan Foster, a psychologist from ySafe, is coming this Friday 16th June at 1.45-2.45pm to do a follow up on cyber bullying. It will be held in the library for year 5 and 6 students. Parents are invited to attend. The session will discuss cyber bullying and will encourage children to consider the impact of bullying on their peers. Students will be taught about the importance of positive online interactions, and will be empowered with the knowledge of how to act responsibly online.

START SMART

We recently welcomed Start Smart to deliver their free, financial education workshops to our K-year 6 students. Delivered in class to students by a facilitator, Start Smart changes the way young people learn about money. By making money management interactive, engaging and fun, our students were equipped with the confidence and competence they need to make smart decisions about money.

Our school has proudly joined the Commonwealth Bank's Start Smart Program in its mission to improve the financial literacy of Australia's young people. Overall, the program proved to be a highly beneficial experience for students and was thoroughly enjoyed by all.

For more information on the program and each of the workshops we encourage you to visit www.startsmart.com.au.

We are celebrating NAIDOC Week 2 – 9 July 2017

NAIDOC Week celebrates the history, culture and achievements of Aboriginal people and Torres Strait Islanders. NAIDOC is celebrated not only in Indigenous communities but by Australians from all walks of life.

It's All about Stories Featuring Josie Boyle

Come along to Girrawheen Library and join in the fun.

Families will be treated to Auntie Josie telling traditional Aboriginal stories using sand art and singing familiar songs in her language. These interactive sessions celebrate the oral storytelling tradition so important to indigenous peoples.
