Artwork

Our first activity was learning about aboriginal artwork and writing with symbols. Our activity was using our hands to make a hand signature with ochre, water or glue. We then did wrote a story with symbols about how we got
Frogs and Long Necked Turtles

Amy (the instructor) talked to us about long neck turtles, she gave us work sheets about their lifecycle. We went into groups of five or six to do a work sheet about different frogs, after we filled out our work sheets we presented our frogs facts to Amy and then heard our frog's sound.

Bird watch
Reeds, where frogs or tadpoles can be found
Scar tree, nonnative bees take over hollows
Bush tucker
Wam Boora Wongi (mulberry tree) was part of a farm a long time ago
