FRIENDSHIP

No 16—17th October 2017

Dear Parents and Caregivers

Welcome back to term four, the final one for a very busy year. For those new families who joined us this term, a very warm welcome to a great community.

There is a lot happening this term, so please check out the term planner and know what is happening for your child's class. The big thing this term are swimming lessons. These can be paid for ASAP, remember if you are having financial difficulty you can come and have a chat with me so we can work out a plan to ensure that your children go to lessons and attain this very valuable skill.

Unfortunately the commencement of work on the adventure playground has been held up. We expect work to start this term.

New seating for the shade area outside the library will also be erected this term. They will be bright and colourful and be a great addition to that area that has lost its trees.

Our annual fundraiser for the Balinese school is happening this Friday, please read further into this newsletter for more information.

Our P&C are still in desperate need of a treasurer, if you can help please contact the president Mrs Rebecca Lyle. Without a treasurer the P&C will cease to operate and all associated support for our school will stop. This includes the canteen, uniform shop, all discos and other activities for the children including Carols Night.

The next meeting is scheduled for Wednesday 25th October. Don't forget the disco is on Friday 27th October- **FREAKY FRIDAY DISCO**

The 2017 Survey is now live for parents to give their feedback on our school. The link is below, if you would prefer a hard copy please collect one from the front office. All responses are completely confidential and will assist us to plan for the coming years. All constructive feedback is very welcome, we are always working to improve as a school.

We are planning classes for next year at present and would appreciate being advised if your children are not returning to our school in 2018. Conversely if you have a new neighbour or are aware of someone who is moving to the area with children, please ask them to contact us. We need to have accurate figures so that we can plan our classes and staff accordingly.

A huge thank you to our school community for supporting our Earn and Learn efforts, we have a total of 29,900 points which will allow us to purchase resources for use across the school.

Principal

ADOPT-A-SCHOOL LAP-A-THON

Yes, it's that time of the year again. Next Friday 20th October, we are raising funds for our sister school in Bali, Baturiti SD1.

The money that we have raised previously, has gone towards paving, building a canteen and a toilet and some laptops. This year our fundraising will be used to purchase new desks and chairs for the students. Without the generous efforts from our students and parents, these projects would not be possible and the educational opportunities for the Bali students would be limited. So next Friday at 2pm, all students will be running laps to raise as much money as they can.

Parents and carers are welcome to join in to help their child complete as many laps as possible. The highest fundraiser in the school will win family tickets to Grand Cinema and the highest fundraiser in each class will receive a canteen voucher. Your child will be bringing home a sponsor note to start raising money and after the event, will need to collect funds and return to their classroom teacher.

We look forward to seeing everyone at the lap-a-thon next Friday.

FROM THE CHAPLAIN

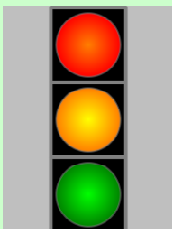

Welcome Alinjarra families to term four

I hope you all enjoyed your holidays.

This term the STOP THINK DO program will be facilitated in the year 1, 2, 3 and 4 Classes. This is a behaviour management program that has been around for a long time and is proven to be highly effective. It will run for 4 weeks. The Aussie Optimism program delivered to each class last term, taught social skills and formed the basis for this current program.

STOP THINK DO is not only used in formal settings like schools but is an easy program to use at home. It will be taught to you through the school newsletter over the coming weeks.

The program follows the concept of traffic lights

Stop - unhelpful behaviour

Think - about how to solve the problem

Do - the right action

If you would like more information please don't hesitate to call.

Cheers

Ms Jones – School Chaplain

CHARITY BIN

Spring is here – time to get rid of your excess clothing! Take your items to the clothing bin which is located behind the canteen.

The school receives money for donated clothing and these funds then go towards the upkeep of the vegetable patch.

Thankyou to all those who have already donated items. Please do not leave items outside of the bin.

No large items can be accepted, only clothing, shoes and linen.
