## FRIENDSHIP

**No 17—1st November 2016**

Dear Parents and Caregivers

It is with great disappointment that I inform our school community of a break-in to our canteen over the weekend. Much damage was caused for very little profit to the criminals, who decided to destroy property belonging to the students of APS. Thank you to Miss Margaret and her helpers who cleaned up the mess. Very disappointing for our school community to experience this criminal activity at our school. The Forensic police who visited the school are confident we will find the culprits because the silly people left lots of clues behind!

**Please if you see anything untoward as you are driving or walking past the school please call police on 131 444 or Education Security on 9264 4771.**

Don't forget you can download our school app for either apple or android platform, it is called SKOOLBAG and can be downloaded for free. We send out a lot of information on that app so it is worthwhile having.

It is survey time once again where we seek the feedback of our community. The survey can be completed on line with the link below. It is completely anonymous. If preferred hard copies are available from the front office. The survey closes on 15th November at the close of school. I encourage our community to give us feedback and help us to celebrate what we do well.

We have a lot happening at APS in the coming weeks, please ensure that you RSVP if you are able to attend either of the events planned as we are catering for the breakfast (details further into the newsletter) and the Science Night. Both still have spaces available so please let us know if you can attend. The Science Night is Wed 9th November commencing at 6.30 and will cost \$5.00 per family. The breakfast is free to our community members. Please contact the front office for more information about either event.

Don't forget this Sunday 6th November is our Family Fun Day, our major fundraising event for the year. Lots will be happening, many activities will be free, each year level has a stall, including a dunking machine. I do believe that one of the young teachers has put their hand up to get dunked! So come along and have some fun and support your school.

Please be mindful when dropping off or collecting children from school. The front car park is not for public use, the back car park is for parents of kindy and pre-primary students only. Please use kiss and drive—your child will be safe and looked after until you arrive.
